

AdsStation is a full-service agency offering online advertising and design services. Our design services are focused to create compelling communication designs for businesses through print, web and multimedia. We believe every communication design we do is an opportunity to create an innovative, workable and winning idea that depicts the true character and purpose of the company or organization of our clients. At **AdsStation** we believe that any design we do must work positively for our clients. We call it designing communication that works.

Our team has a good balance of designers, programmers, copy writers, strategist and project managers. Our diverse skill-sets help us to deliver creative designs that are coupled with strong communication to ensure that our clients get the winning edge.

Turnkey Solutions

More value addition with great economy

Our turnkey solutions are a great fit for startups and small medium enterprises that would look to put a strong brand identity in the competitive business environment. This solution will help your organization to gear up to meet your business objectives within short span of time. Our experienced professionals will ensure that you have all the right toolkits to create that indelible first impression with your customers from day one.

Our professionals will understand your company, your objectives and define the best toolkits that are required to support your needs. We will work with your team or independently from the content creation stage to the delivery of design output. The turnkey design solutions generally encompass the print, strategic, web services and multimedia design elements.

A sample turnkey solution could encompass

Print Design

- Business Cards
- Corporate ID & Stationery
- Logo Design
- Brochures

Strategic Design

- Packaging Design

Multimedia

- Power Point based Presentations
- Flash based Corporate Presentations

Web Services

- Domain Name Registration
- Site Hosting
- Site Planning or Blueprinting
- Web Site Design
- Search Engine Optimizing (SEO)
- Search Engine and Directory Submission
- E-Commerce, Pay Pal and Shopping Carts

Call us today to get your full communication designs at great economy

Advertising

Timely, targeted and total media advertising!

AdsStation represents many print titles and offers access to various other media options in electronic, radio, outdoor and online. AdsStation offers the complete array of your media advertising needs under one roof.

At AdsStation we like to listen, understand and partner with our clients to provide the right solution for their advertising needs than just being a mere service provider. Our media-savvy professionals have presented innovative concepts to reach mass and niche audiences around the world.

Contact us for all your advertising needs in Newspaper, magazines, trade journals, television, radio, online and IPTV

Media Advisory

Much more than a press release

Our media advisor covers the 5W's namely Who?, What?, When?, Where?, and Why?, plus the additional information required for the media to be encouraged to attend the news conference / event that may or may not be public, with the aim of having the news conference / event, or the information released during the news conference / event, covered by the news media.

To get guaranteed exposure, use our media advisory service. Contact us today
